REGISTRATION TO OPEN TUESDAY JULY 9

The Advisory Board, Executive Committee, and Curriculum Committee are happy to report that, at long last, we have found creative solutions to the last minute room constraints imposed by both TNS and SPS, and completed the final grid. You will be receiving this grid and the registration instruction and forms on Tuesday July 9.

Please be on the lookout for the email from the office on Tuesday, note that we have made some changes to the grid that

was distributed, and also, of course, note the deadline for priority registration.

Coordinators have been enormously cooperative and we are very thankful for members' patience, good nature, and willingness to pull together toward a common objective. We look forward to our usual rich and rewarding semester.

In the meantime, enjoy the holiday weekend.
